UNICORNS MAY NOT BE REAL, but people have been thinking and talking about them throughout much of human history. This is the entirely true history of how these magnificent mythical creatures have captured our imaginations for thousands of years.

- The first unicorn-themed wedding took place in 1468.
- In the 1500s, a unicorn horn was worth twenty times its weight in gold.
- In the twenty-first century, unicorn lattes, unicorn toast, and unicorn bagels can be found almost anywhere.
